# COMMENT ON AN EMOTIONAL ACT

Throughout the last year or better, the ANTIOCH NEWS has gone out of its way to give support to the Antioch High School in its efforts to pass a school tax issue. We did so because we knew that the funds were needed to operate a quality educational system. When the time came for cuts to be made in the various areas in order to hold the line, we were saddened, but felt the board had made the correct move in its efforts to retain, at least as much as possible, a good, sound program.

At the last high school board meeting it shocked us to hear the board members be intimidated by a rather vocal, and misguided group of people, into intervening into the suit involving the Antioch Country Club Development vs. Lake County. The amount of money this will cost District 117 has not been established, but it was estimated the first stage would cost about \$1500. This case will not stop at the first legal level but will most likely be carried to the highest court in the state, if necessary, and the cost to District 117 could be three or four times what it is now estimated.

If the board of education had not, as yet, stated its position regarding the Antioch Country Club Development, if there was no one else to state their case,

and, if they did not need all the funds they could lay their hands on, their activities in this matter might be viewed in a different light. But, this is not the case. Some time ago the high school board put on file its objections to the Antioch Country Club development and its reasons for their objections. Financially, the board, even with the recent passage of the referendum, is still in need of all the funds it has just to maintain its present program and to carefully bring back a few of the programs it had to cut.

The suit is filed against Lake

## ANTIOCH COUNTRY CLUB REQUESTS DISCUSSION ON ANNEXATION

A new issue has been injected into the sometimes confusing case of the Antioch Country Club Development. In a letter to Robert Bemis, Chairman of the Antioch Planning Commission, Mr. Robert B. Golding, Attorney for the Antioch Country club, has formally requested a preliminary meeting with the

Antioch Planning Commission to discuss a proposed pre-annexation agreement.

In his letter, Mr. Golding said, "we are investigating the possibility of annexing to one of the municipalities surrounding the club (Antioch, Fox Lake or Lake Villa)."

Mr. Golding further stated, "We feel that the club has many of its community ties with Antioch and that the mutual benefits, particularly with respect to public facilities would be maximized by annexation to Antioch."

The letter was officially delivered to the village by Thomas F. Santino, developer of the property, on Saturday, December 30, 1972.

It is a reasonably established fact that Fox Lake is looking to the north for expansion and would undoubtedly look with favor on the idea of annexing the Antioch Country Club property. The idea of strip annexation through waterways is purportedly being considered as a possibility. Fox Lake has already annexed the Leisure Village Development located at the West end of Grass Lake road on the property of the Fox Lake Country Club.

This is not the first time the possibility of annexation of this area has been before the Antioch Planning Commission. Last April 7, the Lake County Regional Planning Commission gave a cautious recommendation in favor of strip annexation of the proposed Planned Unit Development at the Antioch Country Club.

The report, issued by Community Assistance Planner, Cranston Byrd, stated "the Village would like to grow, but doesn't have the supportive facilities base. The development provides a sound base for the facilities and will promote the village land use policies for the land in the middle."

The letter will be formally presented to the Antioch Planning Commission at its regular meeting on Thursday, January 4, 1973. Mr. Bemis stated that it was premature at this time to speculate on the reaction of the planning commission regarding the proposal.

## TOFT GETS ACTION ON SEWER ISSUE

It would appear that at least some progress is being made in the battle to save the proposed expansion of the Antioch sewage plant.

Antioch Mayor, Raymond Toft, has received definite replies to his letter requesting aid from the various representatives of the 32nd District of Lake and McHenry Counties.

Daniel M. Pierce, minority whip of the general assembly, stated in his letter to Mayor Toft, "I agree with you that the proposed Fox Lake Regional

Plan should not be used to delay the completion of the tertiary filtration at Antioch. Your application should be approved by the State without further delay....

"I intend to contact the Illinois Environmental Protection Agency," Rep. Pierce continued, "and urge the immediate approval of the Antioch Sewage Treatment Plant expansion, including the requested state grant."

Similar statements of support were received from Representatives W.J. Murphy (Antioch) and Donald E. Deuster (Mundelein). In addition Mr. Deuster forwarded an appeal to Congressman Robert McClory to request aid in gaining a release of federal funds for the proposed expansion.

The proposed expansion of the sewage treatment plant has been in the planning stages for two years. The need is critical. It is thought that Antioch will not be able to grow with the already overloaded sewage system unless an expansion is permitted.

**CATHERINE ANN BRENNER MEMORIAL FUND AT CLC**

A memorial fund to benefit College of Lake County students has been established in the name of Catherine Ann Brenner, former CLC instructor, who died July 1, 1972, at the age of 38. Known as the Catherine Brenner Memorial Student Aid Fund, it was established by her family and friends to assist needy CLC students, according to Sam Mazman, Director of Financial Aids at the College.

Because Mrs. Brenner's career interests centered on developing the basic educational skills, of students, the fund was set up primarily to advance

funds to students participating in the Developmental Services Program at CLC.

Mrs. Brenner was the wife of Roy Brenner, Highland Park, and the mother of Ayrom 12, Elloit, 10, and Rachel, 7. She held a B.A. degree from Western Michigan University and an M.A. degree in guidance and counseling from Northeastern University.

Beloved by her students and fellow instructors, Mrs. Brenner was a patient and dedicated teacher. "She was an extraordinary person who gave of herself. She had a way with people that made everyone felt

good to be around her," said Dr. Katherine Barnes, chairman of the Developmental Services Lab at the college.

Chuck Williams, a former CLC student of Mrs. Brenner's, said her generosity conceded to others the right to their opinions and peculiarities. "She was capable of giving much more than she could possibly have received from any of her students," he said.

Contributions to the Fund may be sent to The Catherine Ann Brenner Student Aid Fund, College of Lake County, 19351 West Washington Street, Grays Lake, Illinois 60030.

**CHRISTMAS SPIRIT**

Just before Christmas the three young people above (l to r) Sandy Frad, Geary Frad and Bradley Warren put their voices to good use by caroling to many families in the Oakwood Knolls Subdivision. The three children received \$60 in donations for their efforts and donated the money to the Antioch Rescue-Squad. Accepting for the Squad is Mike Haley and Jim Fields. (Staff Photo)

## RESOLVE NOW - ANTIOCH

The time honored tradition of making New Year's resolutions is upon us - and the equally time honored tradition of breaking those resolutions is just as near at hand.

We have no argument with the making of resolutions. The creation of resolutions tends to force us into a healthy self-appraisal which can cause no harm and, in fact, probably do some good. We feel that this is a perfect time for the Village of Antioch to make at least one or two resolutions: Resolved: That the Village of Antioch be concerned with its own growth pattern throughout this coming year and the years to come. The first step would be to complete the basic, comprehensive growth plan which the planning commission is currently working on. The second step would be to update its present ordinances concerned with building and growth. It is within this second step that we of the ANTIOCH NEWS would like to make a suggestion. When any form of major growth hits a small community such as ours, the first area that suffers is the educational system through lack of necessary funds to accomodate this sudden rise in student population. The village could help buffer this situation by requiring each builder or developer, no matter whether it be one home or a hundred, to set aside "X" number of dollars for each bedroom built. (A plan could be devised much like the one proposed by the Antioch Country Club developers to the Antioch Community High School Board last May 1, 1972.) These funds could be collected by the village either through its building permits or through whatever legal means necessary. The money could then, in turn, be loaned to the schools to be used until such time as the new homes would be on the tax rolls and would be more or less self supporting. When this happens the schools could then return the funds to the village to make use of for the good of the community as a whole.

Antioch already finds itself surrounded by four such proposed developments. To the Northwest of town is the Curnes development which plans to build some 270 units with an estimated population of 880 persons on a 23 acre site; to the Northwest are two developments, CABL and Pheasant Creek whose combined development will add 1314 units (CABL 830 units, Pheasant Creek 484 units) with an estimated population of 4000 persons on a combined acreage of 186.6 acres; and finally, to the south is the Antioch Country Club Development which plans to build some 887 units to house an estimated

### LEGITIMATE GRIPE

Dear Editor;

I am one of the many happy students of Antioch Community High School. We passed the referendum without the help of a certain person. Without mentioning any names, I like to say that it takes an awful lot of gall to do what this certain person did. He had the nerve to paint "VOTE NO" on the vote yes posters that the students worked so hard on. What gives him the right to destroy the student's work? Then he made a two page report on facts that had not even been thought about. For example, he made it sound like the school has a fleet of those micro-wave ovens that the school does not even use. The school has only one oven of this type, which has to be rented. The idea of the swimming pool had not even entered in many people's minds! Then he had the nerve to remove the vote yes stickers and put vote no stickers in their places. This was the last straw and he violated all laws of his freedom. Anyway this started a fight, in which he was completely in the wrong.

Why he had this influence is beyond me. He was entitled to his own thoughts and his own ways of showing it, but not when he has violated the rights of freedom of this country. This does a great injustice to himself and to his family. I have mentioned some of the false facts, even though there are many more that come to mind. This made the people of Antioch sick, and on behalf of some students of Antioch High, I like to thank him for all the "YES" votes that he gave to us in Antioch!

Thank You  
Jeff Gutowski

### 93rd CONGRESS

The 93rd Congress - which convenes January 3, 1973 - is like no previous Congress in American history.

In addition to an almost record turnover (82 new Members), the makeup of the new Congress evidences changing attitudes and patterns in American life.

The strong trend toward the liberation of American women - at least to accord them equal constitutional rights - may account for the election of 14 women U.S. House Members - in contrast to 12 women House Members in the last Congress.

Also, the new Congress confirms that blacks have become a more viable element in American political life. The

substantial increase of black Congressmen, includes 16 Members of the U.S. House plus the reelection of Edward Brooke of Massachusetts to the U.S. Senate.

Heretofore, black Members of the Congress have been elected solely from large northern metropolitan centers. However, the new Congress will include U.S. Representative Barbara C. Jordan of Houston, the first black citizen of this century to represent Texas in the Congress, and U.S. Representative Andrew Young of Georgia, that State's first black Representative since reconstruction days.

The new Congress also reveals dramatic shifts in Party loyalties - particularly in the Southern States. In the election of David C. Treen, the State of Louisiana has elected its first Republican House Member in more than 100 years. Indeed, the Solid Democratic South experienced its greatest shock in the State of Mississippi where two Republicans were elected to replace Democrats - the first Republicans in this century to represent this center of the old Confederacy.

However, except for these Republican gains, there was very little else to suggest a change in political attitudes in the Congressional elections. Republicans suffered a net loss of two seats in the U.S. Senate - while most of the 12 additional Republican seats in the House of Representatives resulted from redistricting. It seems fair to observe that Illinois' ratio of 14 Republican House Members to 10 Democrats (as opposed to 12 and 12 in the last Congress) results principally from the revision of Congressional District lines.

One element is particularly clear: the Presidential coat-tails were virtually non-existent in the Congressional elections. The Presidential campaign appeared to be conducted almost exclusively for the President's reelection. Republican House and Senate candidates were left pretty much on their own. There is no other way to account for the defeat of such Republican stalwarts as Senators Allott of Colorado, Boggs of Delaware, Jack Miller of Iowa and Margaret Chase Smith of Maine. A corresponding group of Republican House Members suffered the same experience.

Elected on their own, the Members of the 93rd Congress - 435 House Members and 100 Senators - are challenged now to become a more vigorous branch of the Federal Government. This they can be expected to do (a) by pushing for Congressional Reform (b) in standing up to executive pressures and (c) in re-asserting their full constitutional prerogatives as lawmakers and as keepers of the nation's purse strings.

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

population of 2,359 persons on a gross acreage of 183 acres. If all of these developments come into being there is a potential population increase of approximately 7,000 persons living in the immediate Antioch area. These figures do not take into consideration such proposals as the Thunderbay Project in Lindenhurst and other small subdivisions which are growing up rapidly around us.

The time could not be better. The Antioch Planning Commission has currently proposed a moratorium on all annexation until the problem of the expansion of its sewage treatment plant can be resolved, and a comprehensive plan of growth developed.

The time may indeed be critical. Because Antioch WILL expand. It will expand or it will be hemmed in -- hemmed in by developments over which the village will have little or no control unless the village acts now to protect itself and to be in command of an orderly expansion of the village.

## PEDERSENS VISIT DISNEY WORLD

The Pedersen brothers of Pedersen Brothers Implement Company of Antioch have recently visited Disney World in Florida, where they attended Massey-Ferguson's North American dealer convention.

Al Pedersen and his wife Florence left for Florida on the 10th of December and returned on the 13th. Bob Pedersen and his wife Eileen made the trip from the 13th to the 15th. It was their first visit to Disney World and it was "really wonderful" according to Bob.

On display at a 30 acre site named "Massey World" were sample of nearly every kind of

machine Massey-Ferguson sells, including industrial and construction machinery, snowmobiles, lawn and garden equipment and farm machinery. The convention program included machinery demonstrations and displays and introduction of six new farm machines, a new combine, a new forage harvester and four new tractors.

The new tractors are all two-wheel drive units, ranging from 80 to 140 PTO hp. They replace four similar size units which are currently in Massey-Ferguson's line.

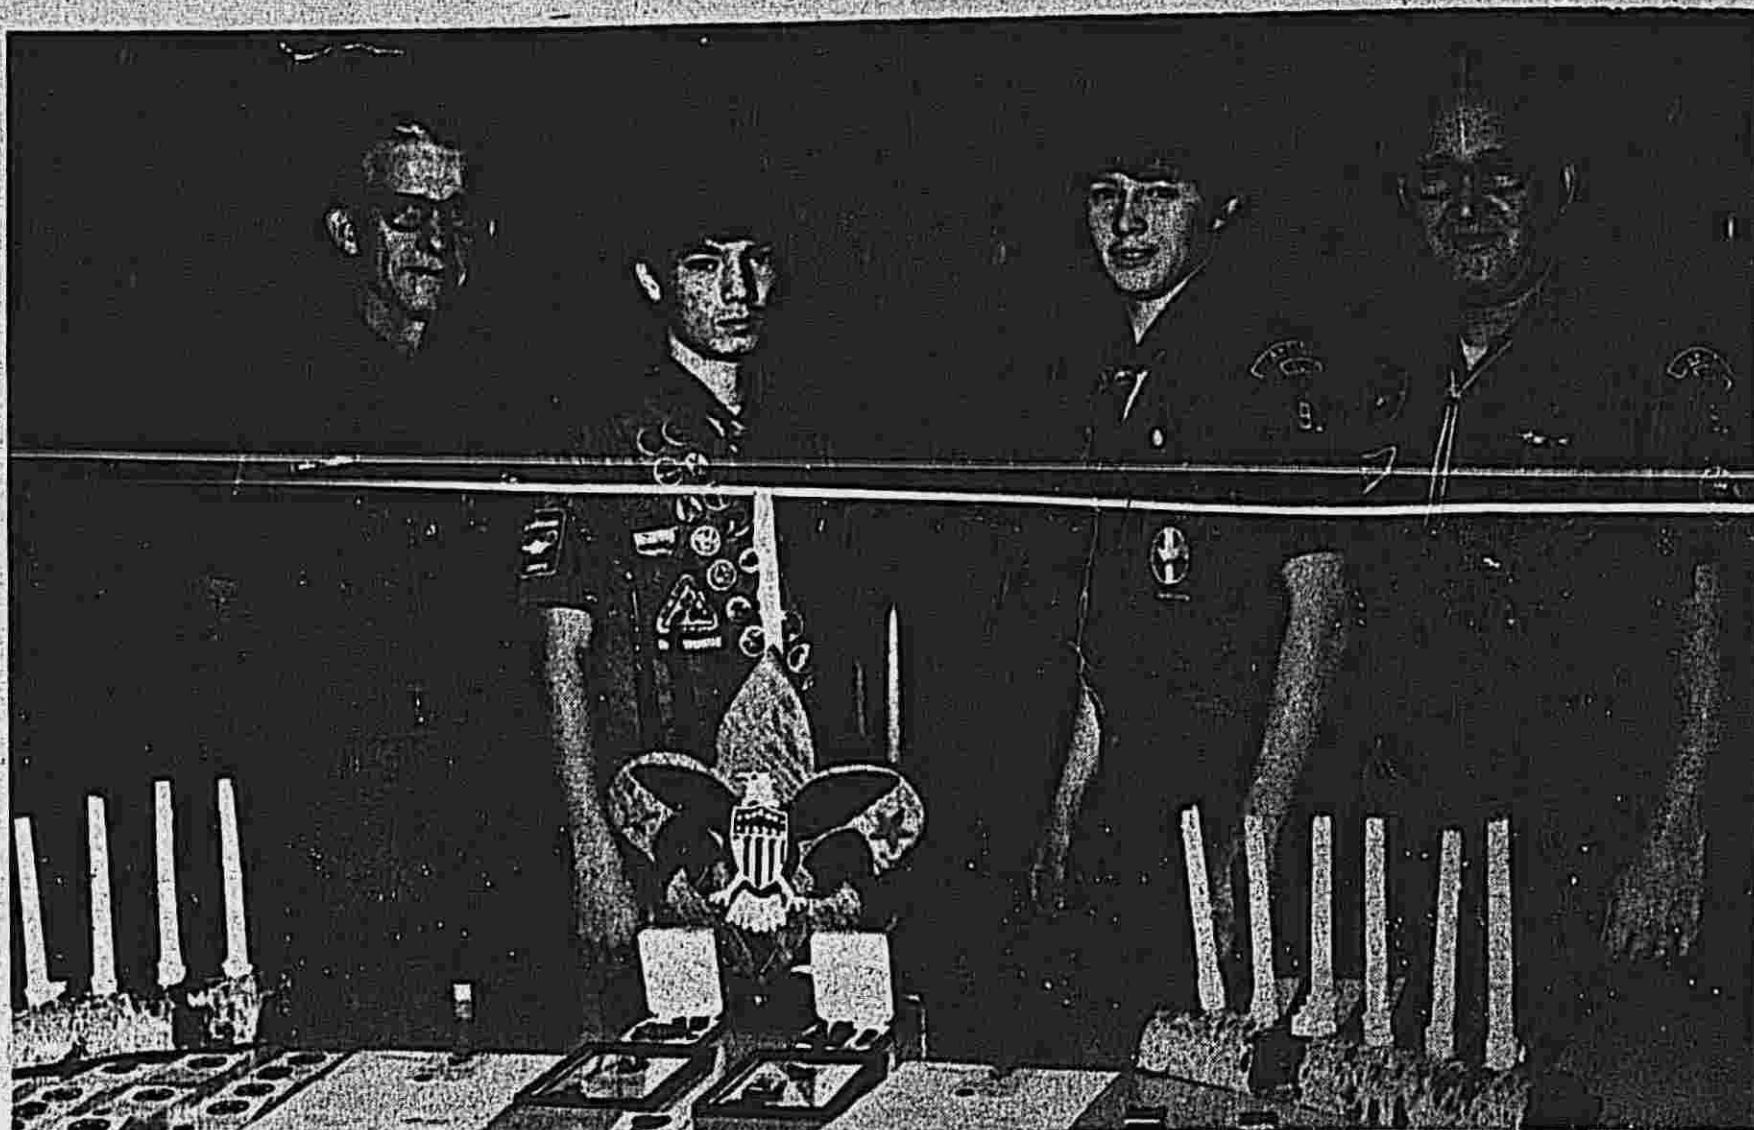

Florence and Al Pedersen

Eileen and Bob Pedersen

Mr. and Mrs. Alfred P. Pedersen and Mr. and Mrs. Robert Pedersen of Pedersen Bros. Implement Company of Antioch, Illinois recently previewed a new line of big Massey-Ferguson tractors at a dealer convention in Orlando, Florida. The convention, which attracted more than 1,200 MF dealers in the United States and Canada, also featured introduction of a forage harvester and MF 750 combine. Delegates were given an opportunity to operate the equipment at a 30-acre site which included presentations on parts, finance and merchandising.

## TWO EAGLE SCOUTS FOR TROOP 91

George Pierce and Michael Harland received their Eagle Scout Award at the Annual Christmas Family Potluck Dinner held for Troop 91 on Thursday, December 21, 1972.

George Pierce, son of Mr. and Mrs. William Redman, joined the Cub Scouts in 1967. After going through Cubbing earning his Lion and Arrow of Light, he became a Boy Scout in January 1968. Some of the many positions he has held are Asst. Patrol Leader, Senior

Patrol Leader, and Program co-chairman District o-a.

George is a SOPHOMORE AT Antioch Community High School.

Mike Harland, son of Mr. and Mrs. Richard Harland, joined Cub Scouts in 1965. He became a Boy Scout in May 1968 after earning his Wolf, Bear, Lion and Arrow of Light. Some of the positions he has held in the past are Asst. Patrol Leader, Leadership Corps, and Dist. Vice-Chief o-a.

Mike is also a sophomore at Antioch Community High School.

Mr. Norman Edwards, Scout Master of Troop 92 presented the Eagle Scout Awards while Mr. Dick Harland, Scoutmaster of Troop 91 also Mike's father looked on.

Representatives from the Area Council present at the Awards ceremonies were: C.J. Miller, Field Director and James Chandler, Camping and Activities Director.

## KANSAS NEWSPAPER BOUGHT BY ANTIOCH COUPLE

According to an article in The Caldwell Messenger, Caldwell, Kansas, dated Monday, December 11, 1972, "the ownership of The Caldwell Messenger a semi-weekly newspaper and printing firm, has been sold to Mr. and Mrs. Donald Gaston.... The Gastons will assume ownership and publication of the Messenger on January 2, 1973."

Mr. and Mrs. Donald Gaston have been residents of Antioch for approximately 15 years where he was employed by A&B Printing as a linotype operator, machinist and layout man. Mrs. Gaston was employed by Pickard China.

Prior to coming to Antioch,

Don Gaston operated a print shop in Ottawa, Illinois. The Gastons have a son and a daughter, both married, and two grandchildren.

Donald Gaston is a veteran of World War II and a member and Past Commander of the American Legion Post of Antioch.

Mr. and Mrs. Doyle Stiles, the previous owners of the newspaper in Kansas, will continue to be associated with the publication of The Caldwell Messenger for an indefinite period while the Gastons become acquainted with the people of Sumner County and the routine of publication.

## Remember When?

**REMEMBER WHEN?** We don't, but we know that all it takes sometimes is a little reminder to jerk a memory and bring back recollections of those days gone by. Each week we print an old photo submitted by an Antioch resident. Some we will be able to identify. For others, we leave it to you to search your own mental scrapbook. Call us if you can identify a photo. Better yet, if you have a memorable photo to share, bring it in to the office.

## BOB HARKEY TO SPEAK AT H. S. ASSEMBLY

Bob Harkey, veteran of the Indianapolis "500" will present an informative program at the Antioch High School on Monday January 8, 1973 at a special assembly at 1:30 p.m. Mr. Harkey's presentation is entitled "Highway Safety is No Accident"

The program has been developed by the Champion Spark Plug Company and has received the Public Service Award of the National Safety Council. Bob Harkey is fully qualified to speak on the important subject of Highway Safety. In addition to having driven race cars for years, he averages 35,000 miles a year as a highway driver. When Mr. Harkey isn't racing, he denotes his time to Highway Safety Programs, relating his experiences on the Track to Driving on the Highway.

Although the program is scheduled for high school students, anyone from the community interested in hearing Bob Harkey is invited to attend.

## COMMENT ON AN EMOTIONAL ACT

Continued From Page 1

County because of the actions of its planning commission and not against the school district. The county has its own legal department and the State's Attorney to take the necessary action concerning this suit.

I am sure the high school board could make better use of the money it is going to take to fight this suit, and we do not feel that it is weight of numbers that decides the outcome of a legal issue but the weight of evidence.

It is not often that we can take issue with the high school board of education, because, in a vast majority of cases their actions are in the best interest of the school and the tax payers they represent. However, in this case we feel their actions were based on emotions and not on facts and the results will be a misuse of badly needed tax dollars.

## "OPERATION SANTA CLAUS" HITS TOWN

St. Peter's Altar and Rosary Society members are pictured at the Lake Villa Nursing Home where they go every year to cheer the old people at holiday time. (L to r) Jean Benes, Millie Milowski, Reggie Symanski, Dorothy Purfeerst, Pearl Roach, Shirley Gutowski, Evelyn Freund, Mary Carney, Marge Adamowski and Helen Gutowski. Middle: 2 residents and Santa. Front Row: Carol, Director of the Home and Angie Maras.

Operation Santa Claus was in full swing again this year. One of Santa's stops was the Lake Villa Nursing Home. Here the residents of the home along with the Director enjoy their evening with Santa.

## Along the Way with *Annie Mae*

Now that the holidays are over I hope things can get back to normal.

Many exciting things happened, and one was that a group of 20 from Antioch went to see Bozo's Circus last Friday. The nice thing was they taped the show, and everyone was able to see themselves on New Years Day when it was shown. Eleven year old Ron Vos was chosen for the Grand Prize Game. Billy Carney came close to being picked, and the camera had lots of shots of the crowd.

Christmas Day is always exciting, but extra so for Peggy and Jerry Van Patten (our Pillsbury Winner) Shortly after opening their Christmas presents, Peggy went to the hospital where she gave birth to a baby girl.

Trudy Mann-Teller at the First National Bank flew to Connecticut with daughter Faye and Richard Krueger and grandson Jeffrey. They had a wonderful Christmas together and a good flight back home.

Mr. and Mrs. LaVerne Woods were very happy to have Mr. and Mrs. Walter Thurston Joyce's parents with them for the Christmas holidays. The Thurstons flew in from New York for Christmas week. Hear tell Santa visited with Lisa and Lindy on Christmas Eve and had presents for everyone.

Everyone who received snowmobiles for Christmas presents have to be a little disappointed that there is no snow - winter isn't over yet....

The nicest Christmas card at the Richard Endries house has to be the card signed by all the Green Bay Packers. Rose says she is going to frame it!

Our condolences to Ray Toft on the passing of his father, Peder Toft, he was well known in Antioch having lived most of his life here.

Belated birthday greetings to Joyce Woods on the 1st, Kathy Haley and Bob Bemis on the 2nd. Happy birthday to Rich Gaston on the 3rd, Paul Barnett and Mary Hancock on the 4th; John Haley on the 5th, George Palaske on the 6th and David Palaske on the 7th. Also special 1 year greetings to Mat Johnson on the 4th, Deanna Hallwas on the 6th and the DRUEGER Twins on the 7th.

Well, I'll be on my way so I can finish writing my New Years Resolutions  
Happy New Year Everybody  
Annie Mae

## NEW GRADE SCHOOL BAND BEGINS

The new Antioch Grade School Band under the direction of Mr. George Olsar will start their rehearsals beginning January 4th. Note the schedule:

Junior Band will meet on Tuesdays from 4 p.m. till 5:45 p.m.

Senior band will meet on Thursdays from 4 p.m. till 4:45 p.m. and the first meeting will be January 4th.

Parents are to make arrangements to pick up their children.

If anyone would like to rent their instruments again this year, this service will be available.

## AMTRAK CARRYING 150 LAKE COUNTIANS TO SPRINGFIELD JANUARY 10th

Over one hundred and fifty Lake County residents will enjoy a journey to Springfield on the AMTRAK "Prairie State" passenger train on January 10th for the swearing-in of the new Illinois Legislature, and for some historic sightseeing.

State Representative Donald E. Deuster arranged the excursion and has four sight-

seeing busses ready to meet the Lake Countians at the AMTRAK Depot in Springfield for a ride to the Capitol. After the swearing-in at noon, the group will lunch in the Grand Ballroom of the St. Nicholas Hotel and at the Sangamo Club. Later they will visit Abraham Lincoln's home, tomb and law offices, and the restored old Capitol building.

AMTRAK will stop at Rondout at 6:45 to pick up the party and return them home to Lake County at 11 p.m. the evening of January 10th. Among the train travelers will be:

Circuit Court Clerk Stephanie Sulthin and her husband Chris, County Coroner Oscar Lind and Mrs. Lind; Highway Superintendent Edward A.S. Streed and Mrs. Streed; Chairman of the Greater Lake County Mass Transit District, Mrs. Eleanor Wolf; former County School Superintendent, Dr. W. C. Petty and Mrs. Petty; Mayor and Mrs. Warren Chard of Grayslake; Island Lake Police Chief Richard Elsner; Wauconda Police Captain John Now, Jr.; Mr. and Mrs. Robert Conolly, parents of State Senator John Conolly; Mrs. John Fixmer of Libertyville daughter of State Representative David Jones of Springfield; Misses Katherine and Rose Matijevich and Mrs. Wayne Van Dyke, all sisters of State Representative John Matijevich.

Boarding AMTRAK at Milwaukee will be Representative Deuster's mother, Mrs. Dorothy Deuster, and his aunt and uncle, Mr. and Mrs. Harry W. Sanders, all of Milwaukee. Deuster's wife Kay and their four daughters, Mary, Ruth, Jane and Anne will also be on the train to see their father take his oath of office as a member of the 78th Illinois General Assembly.

Those from Antioch traveling on the AMTRAK excursion will be: Mr. and Mrs. Albert Dittman, Mrs. Edwin W. Olsen, Mr. and Mrs. LaVerne M. Woods and Drs. and Mrs. W.C. Petty.

Judy Nauman, John and Dottie Romer and Sue Simpson

## LIFE BEGINS AT RETIREMENT

Mr. and Mrs. John Romer were the guests of honor at a surprise retirement party given for them by their daughters Judy Nauman and Sue Simpson on Thursday, December 28th.

Sue and her husband Jim were visiting for the Christmas holidays along with their two sons and the girls decided this was a great opportunity to fete their parents.

Between 60 and 65 guests were on hand. The Romers were presented with a travel certificate to Denmark. Plans are being made to leave by boat at the end of May from New York to Copenhagen, Denmark. There they will visit John's only living relatives - 1 aunt whom he hasn't seen for many years and a cousin.

John and Dottie have lived in the area since 1951, residing in Lake Villa until 1963 and then in their present home on

Antioch Lake.

An active man in the community since he purchased his insurance agency in 1963, John was President of the Antioch Chamber in 1966; President of the Countryside Hospital Association in 1966 and President of the Antioch Community High School PTA. He is an active member of the Lions Club and was Chairman of the Rescue Squad Fund Committee until the end of the year.

Upon his retirement on December 29th from the Wm. F. Buell Agency the Romers enjoyed a very happy New Year holiday and are now back to being busy. Dottie at the Peppermint Pre-School and John will be working in an insurance related field for awhile.

The Romer's have 5 whopping grandsons and one granddaughter.

## 53-Minute March for Cerebral Palsy

On Sunday, January 14, 1973, more than 40,000 volunteers in Chicago - Cook, Lake and DuPage counties, will take part in the annual "53 Minute March on Cerebral Palsy."

The "March" is a door-to-door appeal for funds which are used to support United Cerebral Palsy's services for the cerebral palsied of the community. These services include: a Developmental Center where education, training, therapy and care is provided on a daily basis, for 150 severely handicapped youngsters throughout

the school year; seven summer day camps, which provide 6 weeks of recreational activities for more than 200 children; 2 week residential summer camps for handicapped adults; four adult activity clubs with a membership over 200; a fleet of 16 vehicles to transport the handicapped to school, camp and special activities; extensive counseling programs which serve hundreds of families year around; as well as research and education programs.

Area Chairman is Mrs. Arthur Deutch.

## LAKE COUNTY SALON NO 191

The Lake County Salon No. 191 of the Illinois Eight and Forty, honor subsidiary of the American Legion Auxiliary, will meet on Wednesday, January 3rd, at 8:00 p.m., at the Homer Dahringer American Legion Home in Waukegan. Mrs. Ray Suzzi, Highwood, Le Chateau, will conduct the session.

At the previous Christmas party meeting, Mrs. John W. Horan of Antioch was awarded the large Christmas wreath, while Mrs. Robert Broege of Deerfield received the smaller wreath.

It was reported that with the year half over, two of the three objectives of Mrs. John Acklin of Dolton, Departmental Chapeau, (State President) are well on their way to being fulfilled. A

great majority of Salons have contributed to the American Legion Child Welfare Foundation for TB and Cystic Fibrosis Research; donations for a bed dedication at the National Jewish Hospital in Denver, Colorado, are well past expectations; and all that is needed for the third objective, that of TB nursing scholarships, is a little fuller participation of the Salons.

Hostesses for the January meeting are Mrs. Ben Bush, Mrs. R. L. Hollendar, Mrs. H. Garnant, Mrs. Vernon Johns, Mrs. Helen Heckinger, Mrs. Louise Mack and Mrs. Henry Reinke, all of Waukegan; Mrs. William Bledsoe, Mrs. Hubert Severs, Mrs. Richard Orlowski and Mrs. Robert Wigglesworth, all of Fox Lake.

## DEUSTER WILL INTRODUCE

State Representative Donald E. Deuster (R. Sylvan Lake) will introduce three major transportation bills when the new Illinois General Assembly convenes on January 10th.

Deuster described his proposals at an emergency 1973 Budget meeting of the Chicago Transit Authority Board, and in a letter sent to all of his House colleagues. The three inter-related bills would:

1.) Create an Illinois Mass Transit Fund, financed by 40 percent of the state allotment of Federal Revenue Sharing money, and administered by the Illinois Department of Transportation "in support of public transit services statewide."

2.) Expand the Illinois Toll Highway System to construct needed statewide expressways on the "user fee" concept without tax funds, thus freeing revenue for local road improvements. Also, as in the State of New York, operational

profits would be put into the Mass Transit Fund. Deuster's Resolution contemplates a "Statelong Rockford-to-Cairo Expressway" and a "Fox Valley Expressway" linking Lockport with the Wisconsin line through eastern McHenry County.

3.) Create a Chicago Metropolitan Area Transportation System (CMATS) to "efficiently coordinate commuter rail, suburban bus and CTA transit services in the six-county Northeastern Illinois region."

Deuster told the CTA Board "commuting no longer stops at the Chicago city limits as it did 25 years ago when the CTA was created. The time has come for a regional system to serve the suburban areas and the city in this metropolitan region."

"Without spending one more tax penny" Deuster believes his bills provide a sound financial framework for balanced and improved public transportation in Illinois.

## American Legion Auxiliary

"As a Field Service Volunteer, you have the power of 'LIGHTING THE WAY TO A HAPPIER DAY' for the older veterans in nursing homes" states Mrs. Philip Strand of Libertyville, district volunteer field service chairman of the 10th District American Legion Auxiliary. "For this reason, the 10th District Auxiliary will be sponsoring a Volunteer Field Service Orientation Course at 7:30 p.m., in Building Four, Volunteers' Room, Downey Hospital, January 19th. Mr. Arthur Muth, director of Voluntary Services at Downey Hospital is in charge of the program, and will be the main speaker. Also participating in the course's presentation, will be Mrs. Richard Stastny of Mundelein, State Downey Hospital VAVS Director; Mrs. Strand and a hospital social worker."

Realizing that more and more of the older veterans who have been patients at Downey Hospital and other VA hospitals, but who still require daily care, are being discharged from these hospitals to nursing homes, the Illinois American Legion Auxiliary started a new phase of its rehabilitation program - that of volunteer field service. Most of these men have been hospitalized for a long period of time, but since they are no longer seriously ill, have had to be discharged for the hospitals to care for the vast influx of Vietnam patients. These veterans have no homes to which they can return, and often no longer have any family or friends. They are not in the best of health and have difficulty in adjusting to life outside the hospital. Aging, ill and friendless, they badly need a cheerful, pleasant smile, someone to visit with them, lay a game of cards or checkers with them, or go on shopping errands for them.

Many of these older men who served their country faithfully years ago have become discouraged, despondent and despairing of ever adjusting to their changed scene. This is the reason why the American Legion Auxiliary started the volunteer field service pro-

### SPEAKERS OFFERED

The Family Counseling Clinic in Grayslake is offering members of its staff to speak free to Lake and McHenry County clubs, organizations and associations.

"We are making this free service available because we believe it is our basic professional responsibility to share our knowledge with the community," George Holmes, Executive Director of Family Counseling Clinic said.

The clinic's staff of psychologists and social workers can speak on anything from human sexuality and today's woman, to adoption and child development.

Program chairmen interested in a speech by someone from the Family Counseling Clinic should call or write Bill and Sue Morris at 223-8107 or Rte 2, Box 228 in Grayslake, Illinois with a zip of 60030.

A brochure of possible speech topics and background information on the Family Counseling Clinic and its staff is being developed for publication this spring. Persons interested in that booklet should also write so they are placed on a mailing list.

gram, and it has proved successful from the start. Libertyville, Mundelein, North Chicago, Wauconda, Waukegan No. 281 and the Zion Benton Units have begun field service work at nursing homes in their communities. Their members are visiting veterans, bringing them treats on the holidays, giving them Christmas gifts, writing letters for them, etc. However, more field service volunteers are badly needed. Anyone interested in doing this type of volunteer work, should contact the unit rehabilitation chairman. Mrs. John L. Horan is the Antioch Unit Chairman.

Mrs. Strand concludes: "We need you, ladies, to 'LIGHT THE WAY' for veterans in your community, who are in need of your assistance."

The Antioch American Legion Auxiliary No. 748 postponed its January 1st meeting to Monday, January 8th, at 8:00 p.m. at the Antioch American Legion Home. Mrs. J.L. Horan, President, will conduct the meeting.

## Social Notes

by: Del Jahneke

The Channel Lake Brownie Troop No. 177, with Mrs. Kay Doty, leader; and the Antioch Grade School Brownie Troop No. 185, Mrs. Ed. Dahlberg, leader; enjoyed a "sleep-in" at the Antioch Scout House, the weekend of December 15th. A bright fire crackled in the fireplace, while the Brownies sang Christmas carols, and strung pop corn, cranberries and raisins on strings. These girls decorated a tree outside the Scout House with these strips of food so that the hungry birds could have a nice feast for Christmas. After a restful night of slumber (??!!) the Brownies had a breakfast of hot chocolate and doughnuts. In Mrs. Dahlberg's own words: "Our thanks for helping in the sleep-in also go to Mrs. Madelynn McKenna and Mrs. Pat Smith."

A happy, crowded New Year's weekend was the agenda for the Ray Rathmann's of Oakwood Knolls, as they were "wined and dined" at the Don Schnoor's home in Dolton. Saturday evening; more dining

at the Pat Cosper home in Wheeling on Sunday; Sunday night, New Years Eve party at the Norman Jascinski home in Roselle and New Year's Day still at the Jascinski home. Mrs. Schnoor and Mrs. Cosper are Eunice Rathmann's sisters, and Mrs. Jascinski is Ray's sister.

INCIDENTALLY, EVERYONE, HERE'S WISHING ALL OF YOU "A VERY HAPPY NEW YEAR!"

### SPONSORS INITIATION NIGHT FOR RAINBOW

On December 11, the Antioch Rainbow Girls No. 23 held a meeting. This was a special night for all Rainbow Girls in Antioch Assembly. We were able to do our initiation work for our Sponsors. We initiated Kim Plotz and Pam Plett. It was a very beautiful night.

On Saturday, December 23, all the Rainbow Girls in Antioch went Christmas Caroling in Antioch for a fun project.

### TOWN AND COUNTRY ART SHOW DATES ANNOUNCED

The 1973 Lake County Town and Country Amateur Art Show will be held March 29 and 30 in the Farm Bureau Auditorium on the Lake County Fair Grounds. This show is open to all amateur artists residing in Lake County and entries may be submitted in any media according to Extension Advisers Ray T. Nicholas and Irene Green.

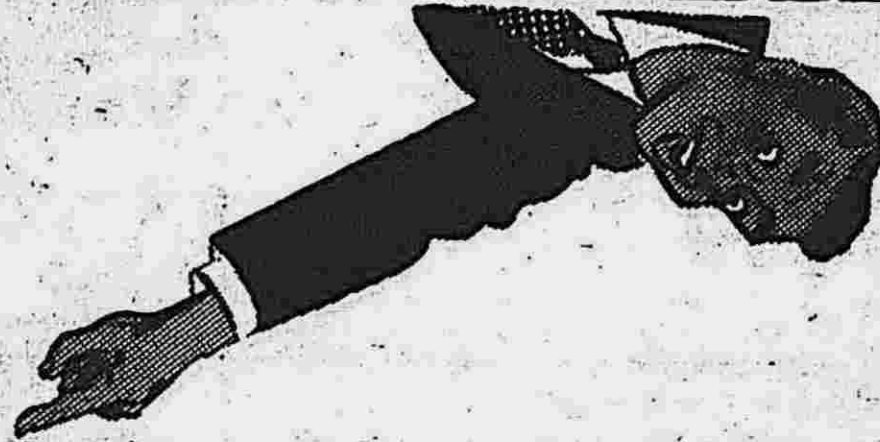

There will be three age group divisions: Grade School and below, high school and/or under 18, and 18 or over as of March 29.

A brochure giving full particulars of the show may be obtained by writing the Lake County Cooperative Extension Service, Post Office Box 267, Grayslake, Illinois.

## ANTIOCH SAVINGS & LOAN \$25 MILLION CELEBRATION

The Antioch Savings and Loan has something to celebrate. Their total assets are now in excess of \$25 million.

During the celebration of this fete they will be awarding a \$25 savings bond in a daily drawing for 25 consecutive business days from December 28th thru January 30th.

The Grand award will be a vacation trip for two to New

Orleans, which will be awarded on Tuesday, January 30th. Arrangements will be made by the Antioch Travel Agency.

Entries are without obligation, simply come into the Antioch Savings and fill out an entry blank. Refreshments will be served in the Hospitality Room daily from 10:00 a.m. until 2 p.m.

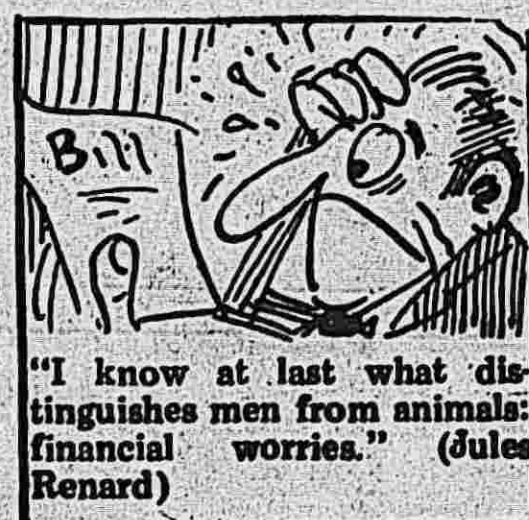

## SPRING VALLEY MANAGER RESIGNS

Bill Wagner, manager at Spring Valley Country Club has announced his resignation. When asked why, Bill replied, "We had a successful year despite the worst weather in history. It is increasingly difficult for privately owned recreational enterprises to compete with public facilities. About 20 cents out of every dollar of revenue go to the payment of taxes of one sort or another."

When asked about his successor, he said, "I don't know who that will be. I'll be around for awhile to enable an orderly transition. Meanwhile, I'm looking around for another job. Any offers?"

Spring Valley Country Club, located two miles north of

Antioch, Illinois has been operated for 13 years by members of the Wagner family. Bill's brother Pete Wagner died on the golf course in 1968; his brother "Pick" also died there early last spring.

## ELECTED TO PRESIDENT'S HONOR CLUB

Richard Kirkpatrick (left), 4037 Grandville, Gurnee, Illinois, comptroller and office manager of Charmglow Products division of Beatrice Foods Co., in Antioch, Illinois receives a special award and congratulations from Don L. Grantham, president of Beatrice Foods, in recognition of his election to The President's Honor Club, the company's highest award for outstanding service. The presentation was made at the company's annual management conference here in November. Mr. Kirkpatrick is one of only 64 men and women among nearly 60,000 employees in the Beatrice Foods world-wide organization to be named this year to the President's Honor Club.

## FLOWER ARRANGING FOR NEWCOMERS

The Antioch Welcome Wagon Newcomers Club will hold its monthly meeting, Wednesday January 3rd at 8:00 p.m. at the Methodist Church. Our program for the evening will be a demonstration on flower arranging given by Floral Acres. This would be a great way to start the new year with your neighbors and fellow newcomers. We have a full year of activities planned that should interest you.

Our Arts and Crafts program will be starting up now after the holidays, so you might jot down these dates:

Tuesday, Jan 9th 9:00 p.m. A meeting will be held at Bernadettes for anyone interested in taking art lessons.

Decapouge lessons will also be starting. For anyone interested in Arts and Crafts and more information, please contact Betty Baker 395-3650.

The Newcomers Coffee will be held Tuesday, January 9th at 1:00 p.m. at the home of Betty Baker.

## KAREN SHEEHAN ENGAGED

The engagement of Miss Karen Ann Sheehan to Jerold L. Powers is joyfully announced by the bride-elect's parents, Mr. and Mrs. Warren Sheehan of Grand Avenue, Lake Villa.

The bridegroom-to-be, son of Dr. and Mrs. George Powers of Phoenix, Arizona is a graduate of Cornell College, Mt. Vernon, Iowa, and will enter medical school. Karen will be a May graduate of Cornell.

A June 9th wedding is being planned.

## SO-CI E-TY

n; pl. TIES. (L. societas fr. socius a companion; cf. F. SOCIETE. See SOCIAL) the relationship of men associated in any way to one another; companionship; fellowship; connection; participation.

## ROYAL NEIGHBORS HOLD CHRISTMAS PARTY

Oracle Alice Lassen opened her meeting with a Merry Christmas Hi to all. A delicious Christmas supper was served by Irma Hostetler and Val Gelden. All kinds of goodies were served and calories were not counted. Songs were sung by Neighbors after which a short meeting was held.

A new slate of officers were elected: Oracle-Alice Lassen, Vice Oracle-Nancy Thayer, Recorder-Laura Thayer, Past Oracle-Irma Hostetler, Chancellor-Myrtle Delany, Receiver-Bernice Gelden, Marshall-Gladys Wilton, Inner Sentinel-Val Gelden, Outer Sentinel-Gladys Lokke, Manager-Ada Nicholas, Physician-Dr. Abderholden.

Birthday gal for the month was Ellen Flint.

A gift exchange was enjoyed by all - and all officers received beautiful hand-made woolen booties made by Oracle, Alice Lassen.

Next meeting of the Royal Neighbors Olson Camp No. 459 will be held on January 9th at 8 p.m. A box lunch meeting.

## New Deductions

A baby son was born to Mr. and Mrs. David Barker of Antioch on December 16th at Victory Memorial Hospital. Sean Patrick tipped the scales at 7 lbs. 7 1/2 oz.

Eight year old brother David was delighted with his extra special early Christmas present.

Jeff and Jenny Van Patten received the best Xmas present this year, a new baby sister! Julie Ann was born on Christmas Day and weighed 7lbs 3 1/2 oz. and was 19 inches long.

The proud grandparents are Mr. and Mrs. Laurel VanPatten and paternal grandfather is Mr. Robert Garvin all of Antioch.

Congratulations VanPattens! you've really had a super year and now you have another deduction for '72.

## MUELLER -OKRZESIK VOWS TOLD

Barbara Ann Mueller became the bride of Wayne Allen Okrzesik at St. Peter's Church on Saturday, December 30th at 2:30 p.m. Barbara is the daughter of Mr. and Mrs. John Osborn and Wayne is the son of Mr. and Mrs. Edward Okrzesik of Antioch.

Sandra Kisel, sister of the bride was Matron of Honor while Tom Mueller, brother of

the bride, served as best man.

The couple were feted at a reception in their honor at the Antioch Country Club. After a short honeymoon in Wisconsin Mr. and Mrs. Okrzesik will live in Antioch.

## CLC OFFERS MANY NEW COURSES

Four courses offered at off campus locations for the '73 Spring Semester: Psychology 101-501, Human Potential Seminar, and Math 101-801, Elementary Concepts, will be taught at the Waukegan Outreach Center. Fundamentals of Accounting I will be offered at the Great Lakes Naval Station, while Hough International will host a course in Labor Relations and Law, IND 211-901. Register between Dec. 15 and Jan. 5.

An automobile pollution control clinic will be conducted in the new automotive building at CLC in two three-hour sessions on Tuesday, Jan. 9 and Thursday, Jan. 11 from 7-10 p.m.

Any individual working in the automotive maintenance field is qualified to attend. There is no charge for the program and each participant will receive a free emission control system reference manual.

ARC-211 "Structural Design" will be held on Mondays from 7-10 p.m. The course concerns engineering considerations involved in selecting, specifying, and designing timber, steel and concrete structural components.

ARC-214 "Structural Detailing" is offered on Thursday evenings from 6:30-10 p.m. The drafting procedures involved in light and heavy construction and the detailed representation of individual structural components facilitating prefabrication will be discussed.

Registration for part-time students will be held Jan. 8-10, and the 9-10 for full-time students at the College.

## Fresh Mushrooms Now Used Year-Round

Eggs are one of our best nutritional buys today, so why not team them up with flavorful fresh mushrooms in a mushroom omelet? This satisfying and easy-to-prepare dish is ideal for breakfast, brunch, lunch, supper or a midnight snack.

Note that mushrooms are a convenience food; no peeling or puttering and they're cooked in four or five minutes. Do rinse them briefly in clear water, jiggling them about a bit. Or wipe with a damp towel. If the stem end looks a bit brown, slice it off thinly.

Fresh mushrooms are now available all year around. They go with almost every kind of main dish and are especially suited to the low calorie diet.

### MUSHROOM OMELET

- 1/2 pound fresh mushrooms
- 6 tablespoons butter or margarine, divided
- 1/4 cup minced onion
- 1/2 cup diced green pepper
- 8 eggs, lightly beaten
- 1/4 cup milk
- 1 teaspoon salt
- 1/8 teaspoon ground black pepper

Rinse, pat dry and slice mushrooms; set aside. In a skillet melt 4 tablespoons of the butter. Add onion; saute 3 minutes. Add green pepper; saute 2 minutes. Add sliced mushrooms; saute 3 minutes. Remove from heat; set aside. In a bowl combine eggs, milk, salt and black pepper. In a large skillet or omelet pan melt remaining 2 tablespoons butter. Add egg mixture. Cook over low heat, about 5 minutes, drawing eggs to center of skillet to allow uncooked portions to flow to the bottom. When omelet is almost cooked, scatter mushroom mixture over top. Place pan under preheated broiler set to 375° F. for 2 minutes or until eggs are cooked as desired. YIELD: 4 portions.

• Why are bread and cereal important as one of the four food groups? It's because this group furnishes B-vitamins, iron and some protein. When breads are made with milk, they also give you the additional values of milk. Being carbohydrate foods, breads and cereals are important, too, as energy foods.

Today, one hour's work will buy 20% more milk, 25% more pork, 20% more beef, 13% more potatoes and 25% more peas for the consumer than it did in the late 1950's.

WEDNESDAY JANUARY 3, 1972 THE ANTIOCH NEWS

## HOLD WILDLIFE ART AUCTION

Thirty six original wildlife paintings by five midwestern artists which will be sold at auction this month will be on public display at the Elmhurst Holiday Inn, 624 N. York Road, Elmhurst, from 8 p.m. Wednesday, January 10 til midnight Saturday, January 13. The paintings were commissioned by Cottage Hill Wildlife Art, 200 N. York Road, Elmhurst, to make limited edition wildlife art prints and now will be sold

at auction via sealed bids which will be opened January 20. Winning bidders will be notified by Cottage Hill Wildlife Art president, Gaylord Walter by January 30.

The five artists and their series are Tom Dunnington's "Endangered Wildlife," Carl Schwartz's "Rare and Endangered Reptiles," Michael Riddet's "Songbirds," Dietmar Krumrey's "American Wildlife" and Karl Karalus's "International Wildlife."

## CAREER PROGRAM LAUNCHED

A number of high school counselors in Lake and McHenry counties are helping the Family Counseling Clinic in Grayslake put the final touches on an individual career counseling program.

Nearly 40 counselors participated in two workshops at a Family Counseling Clinic recently and heard a presentation on the program designed by psychologists at the Clinic. Following the presentation the counselors discussed the in-depth approach and agreed to seek two students from each school to participate.

The students will be volunteers, have their parents' permission and will take the program free of charge.

"Our program is based on an individualized approach. Something very personal," James Friedman, Director of Educational Services at Family Counseling Clinic said. "We go into depth with each person so he understands the why and how of his goals."

Even though the initial

presentation was to high school counselors and will involve high school students, the Career Counseling program is designed for everyone.

"Because it is individualized and involves several one-on-one contacts with our staff members and the client we are able to aid anyone from a high school junior to an executive," Roger Mick, Ph.D., Chief Psychologist said.

Information on career counseling is available at 223-8107.

## ABBOTT TO PAY DIVIDEND

Directors of Abbott Laboratories today declared a regular quarterly dividend of 27½ cents on each outstanding common share and 50 cents on each of the outstanding Series A preferred shares.

Both dividends are payable Feb. 15, 1973 to shareholders of record January 26, 1973.

a-Adams; b-Bond; c-Cook; d-St. Clair.

## Illinois History Quiz Answers

1-c, Salem; the home at 408 Broadway is now a museum where Bryan's letters and personal effects are displayed.  
2-b, 1952, when Hebron defeated Quincy 64-59 for the title.  
3-c, medicine; Evans (1814-1897) was one of the founders of Northwestern University, a railroad builder, and territorial governor of Colorado.  
4-c, Horner (1933-40).  
5-d, St. Clair; the exact location is about five miles south-east of Mascoutah.

## ABBOTT LABORATORIES

### SUCCESS IN POLLUTION CONTROL

NEW YORK, N.Y. Dec. 14, 1972- Abbott Laboratories was featured as one of the success stories in pollution control at an environmental conference sponsored by Chemical Engineering magazine here today.

"Our system for disposal of semi-liquid waste helps prevent odor, land and air pollution all at the same time," said Abbott engineer Dan Quane, who spoke to the audience of technical experts from other companies in the chemical process field.

Abbott's innovation permits the waste to be injected into coal-fired boilers for low-cost, pollution-controlled incineration. The high temperatures

destroy odors, and as electrostatic precipitator controls air pollution. The remaining sterile ash can be readily used as landfill.

"We developed the system to dispose of excess activated sludge from our expanded wastewater treatment operation, as well as disposal of liquid waste from antibiotic manufacturing," Quane said. He pointed out that the system can be modified to handle many other kinds of liquid-solid waste.

In addition to successful case histories, the conference covered pollution measurement, control processes and equipment.

Funeral services were held at the Barr Funeral Home in Antioch on Wednesday, Jan. 3rd. The Rev. Father E. Bergis, Pastor of St. Demetrios Church officiated. Interment was in Hillside Cemetery.

## Christian Science

### Churches

Jesus proved man's oneness to God when he healed Lazarus and had him rise from the dead.

In the Lesson-Sermon entitled "God" this Sunday at First Church of Christ, Scientist this citation from Science and Health with Key to the Scriptures by Mary Baker Eddy will be read: "Jesus said Lazarus: 'Our friend Lazarus sleepeth; but I go, that I may awake him out of sleep.' Jesus restored Lazarus by the understanding that Lazarus had never died, not by an admission that his body had died and then lived again."

Services at First Church of Christ, Scientist, BEACON HILL, Rte 173 and Harden, Antioch, Illinois begin at 11 a.m. Everyone is invited to attend.

### POLLUTION VARIANCE

ANTIOCH-REALCOR, LTD. has filed with the Environmental Protection Agency and Pollution Control Board a Petition for a Variance, Title IX of the Environmental Protection Act provides for individual variances upon proof by the Petitioner that compliance with specific provisions of the Act, related regulations and/or Board Opinions would impose upon the Petitioner an "arbitrary or unreasonable hardship". The Petitioner alleges such a hardship, and requests permission for a construction only permit for a proposed sanitary sewer extension for Realcor Industrial Park to be located in Lake County at Antioch, Illinois.

The Environmental Protection Agency solicits the views of persons who might be adversely affected by the granting of the variance. Any comments or inquiries should be addressed to: Variance Section, Division of Water Pollution Control, Springfield, Illinois, 62706, (217-525-6171). Formal objections to the petition may be filed in writing with the clerk of the Pollution Control Board, 309 West Washington Street, Chicago, Illinois, 60606.

## BITS AND PIECES

By: Taffy Engelhardt

Before I forget, on Wednesday December 20th, we had our Christmas Assembly. Bucky Albright was a good announcer and Mr. Polley spoke to us for a few minutes. Also, Mr. Brooke's Acapella Choir sang. We had an unnamed band play for us. And, of course, Santa made his appearance and passed out a few goodies, one of them was a pair of Dick Tracy handcuffs for Mr. Marshall, a hall patrol. However, the assembly would have been much more successful if we could have had a more courteous audience. At times, the audience was louder than the band and the choir. It spoiled it for those who were interested in the performance.

Well Christmas is over, Santa's gone and we've started a new year. I'm sure some people are still recovering from their New Year's Eve Celebration. I know a lot of people who have filled pages with New Year's Eve Resolutions and broken half of them already! I've decided that this year I'll be sensible and only make one or two and really stick with them. Well, a new year is here. I hope everyone starts it out right.

Most of us weren't quite ready to go back to school on Wednesday but we really didn't have much choice. Back to homework, studying and

## "SEQUOIT HAPPENINGS"

tests. Oh well, at least it is somewhat of a fresh start. A lot of kids went on trips over the holidays. But there are some students who are glad to go back to school. After all, you can't sit around forever. We're all caught up on our sleep and some of us are back on our diets and back to daily routines.

Over the holidays, the Sequoits lost by a smidgen to

Round Lake. But we're all ready to get them on our home court. We did pretty good at the Rockford Holiday Tournament. We beat Winnebago and lost to Auburn. But we had the loudest crowd for the amount of people there. Our loyal fans came and outyelled a crowd three times their size.

Happy New Year to everyone and hope to see a lot of you at the big games this weekend.

### KING & QUEEN OF CHRISTMAS DANCE

Crowned King and Queen of the ill-fated Annual "Christmas Dance - Snowfrost Fantasy" held on December 21 at the Antioch Community High School were Linda Lagerstrom and Kirk Moran. (Staff Photo)

### MIEURE PICKED FOR

### ALL TOURNAMENT TEAM

The Sequoits lost out of the Rockford tournament last weekend as they were defeated in their second game by Rockford auburn.

Their first game was against Winnebago, which they won with 82 points to their 48 points.

Coach Andrews said in reference to the game, "All the kids got to play, and they did a real good job, both defensively and offensively."

Mark Andrews was the high scorer with 21 points, Victor McGuire was close behind with 20 points. Gutowski followed with 15 points and Mieure scored 12 points.

The Winnebago victory put the Sequoits in the quarter finals in which they played Rockford Auburn and which they lost 50-41.

Rockford was the "pre tournament favorite" and they lived up to that reputation, as they went on to win the tournament. In the final game they beat Rockford Guilford with a score of 65-60. Rockford Guilford placed second.

About their last game Andrews commented, "Defensively we were exceptionally good, if we could have held them under 50 points or less we

could have had a chance of beating them. Defensively we did a good job, but on our offense we kinda bogged up especially in the first and third quarter."

The Sequoits were only able to score 4 points in the first quarter and only 6 points in the third quarter. Tim Mieure was the high scorer with 16 points.

An all-tournament team was selected by the participating coaches and it consisted of: Tim Mieure, Antioch, Chris Loy, Rockford Guilford, Bill McKinney, Zion-Benton, George Shivers, Rockford Auburn and Trevor Banks, Thornwood. The most valuable player was Chris Loy.

In regards to the all-tournament pick, this was only the second time in a ten year history of the tournament that a player has been picked to the all-tournament team, that has played two games in the tournament. Mieure also placed in the All Tournament team last year when the Sequoits played four games and placed fourth.

The Sequoits will play Grayslake here on Friday and then take on Zion Benton there on Saturday. The Grayslake game is of importance since it is a conference game.

The Lake County Forest Preserve District Photo Contest is in full swing. President Frank Peers is encouraged by the enthusiastic response from Lake County camera buffs. Entry forms have been sent to all Lake County Schools, and are also available from participating camera stores and District offices. An unidentified photographer is shown focusing on the Mallard ducks of Lakewood Forest Preserve.

(Week of Jan. 5-12)

**ARIES** (Mar. 21-April 20): Career signs favorable. Your hard work and cooperative attitude wins friends and recognition. News from afar could brighten your spirits and offer a unique opportunity to broaden your economic horizons.

**TAURUS** (Apr. 21-May 20): Stop daydreaming about romance and do something about it. Weekend favorable for activities that could bring you in contact with a new social group. Family, friends could help you fulfill a secret ambition, possibly involving joint finances.

**GEMINI** (May 21-June 21): Don't let emotion cloud your judgment, particularly in matters affecting partner or spouse. Be practical in all financial dealings. Not an auspicious period for starting a new job or project. Complete present tasks first. Best days: Tuesday, Wednesday.

**CANCER** (June 22-July 21): Al postponement or delay in a project at work could favor you. Examine all business proposals carefully. Things may not be the way they seem. Social aspects are high, favorable for meeting new friends Sunday and Monday.

**LEO** (July 22-Aug. 22): Some travel is indicated, possibly a change to a new job or school. Don't be hesitant to explore new opportunities. Star signs are favorable for new beginnings. Best day: Wednesday.

**VIRGO** (Aug. 23-Sept. 22): Do something special for a loved one or partner who has been feeling neglected. A surprise gift can do much to demonstrate your love and appreciation. Be sure to complete assignments at work; superiors may be in a demanding mood.

**LIBRA** (Sept. 23-Oct. 22): An excellent period for creative projects, social contacts. Your enthusiasm and charm win friends and admiration. Co-workers should be cooperative. Best days: Saturday, Sunday.

**SCORPIC** (Oct. 23-Nov. 22): Financial opportunity may present itself. Be ready to take advantage of it by cleaning up left-over work and arranging business affairs you've been neglecting. Best day: Thursday.

**SAGITTARIUS** (Nov. 23-Dec. 21): Weekend is good for visiting friends, sharing old memories. The New Year offers an excellent period for making major changes in your social life, work. Break away from routine and enjoy yourself. Caution indicated in financial matters Wednesday and Thursday.

**CAPRICORN** (Dec. 22-Jan. 20): Stop putting off needed repairs. Clean-up work around the home. Abundant of energy can impress spouse or family with your resourcefulness. Avoid temptation to let social activities interfere with other obligations.

**AQUARIUS** (Jan. 21-Feb. 18): Romantic aspects on the rise. Someone you meet during this period could become a major influence on your life and for the better! Watch your grooming so you will make a good impression. Best days: Saturday, Tuesday.

**PISCES** (Feb. 19-March 20): Unsuspected problem could threaten to spoil weekend activities. Don't let it upset you. Attention to detail at work can earn the respect of co-workers, superiors. Best days: Wednesday, Thursday.

### WITH A STERN AND CLOUDED EYE

Under a blanket of winter  
From Antioch to the North  
Shore,  
The critics and sages forega-  
ther  
To see how the old year has  
wore.  
Has our eminent Building  
Commission  
Retarded the race into rubble?  
Are the cracks and the leaks  
and the pondings  
In the parking facility double?

What obtains at the County  
Board level?  
Are there schisms and factions  
and blocs?  
Does the avid, articulate public  
Attend the Board meetings in  
flocks?  
Has Chairman Ron Coles kept  
the lid on  
That cauldron of simmering  
trouble?  
Does his varied and vigorous  
verbiage  
Prick the air out of Norm  
Geary's bubble?

Has Sam Smith, (State's  
Attorney pro tempore)  
Kept the Chair in a state of  
confusion? Are he and Frank  
Peers in agreement  
With Public Works' final  
solution?  
Can anyone argue that Robin  
Has ever shirked raising the  
tariff  
To add to the deputy tasy force  
Deployed to perform for the  
Sheriff?

While Graham takes swipes at  
Sabonjian,  
Janet Morrison tries to be fair;  
She evaluates Mike's supposi-  
tions  
But finds little tenable there.  
H. Don Morris and Cuba's om  
Hayward  
Stand for space and an orderly  
growth;  
When it comes to an unplanned  
re-zoning  
Their votes indicate, they are  
loath.

How now the position on hair  
cuts?  
Do cribbage and beards have  
clear sailin'?  
Will the 8th floor survive  
Amendola -  
Jerry Estes and jousting John  
Balen?  
Will Hoogasian respond to the  
pressure -

Will he file the announced Quo  
Warranto?  
Or will that aroused Tax  
Committee  
Have him up on the gallows -  
and pronto!?

Have Pekol, Miholic and Tersar  
Done a job that's been really  
dramatic?  
Have they (and Sam Payne out  
of Zion)  
Warmed the hearts of their fans  
Democratic?  
What of Millie and Mrs. Sabato?  
Has the southeastern ethic been  
heard?  
As for homework and pertinent  
questions  
Are they giving their colleagues  
the bird?

Vic Gantar, Joe Dassing and  
Ela's Keith P.  
Work together to give 'Public  
Service';  
They deal with Mass Transport  
and Sewers and Roads  
And tend to make contractors  
nervous.  
But trying to read from that  
fogged crystal ball  
Of the futures of Murrie and  
Lea,  
Of Weismantel, Dassing - of  
Bell of Finance -  
Is hard for a seer, even me.

So keep faith, Lake County -  
next year will be great! Real  
progress, costs lower by far.  
The 'white hats' will triumph -  
good government reign - Well,  
would you believe good p.r.?

### FIRST WOOD DUCK SURVEY

The initial wood duck stream  
survey report has been com-  
pleted by waterfowl biologists  
of the Illinois Department of  
Conservation.

The count was conducted by  
George Arthur, chief waterfowl  
biologist, and Dave Kennedy,  
southern Illinois waterfowl  
biologist, with the help of  
district wildlife biologists  
throughout the state. It covered  
65 streams and over 572 miles of  
water in Illinois, to obtain an  
index as to the amount of wood  
ducks in this state.

The purpose of the survey was  
to provide a method of  
assessing population trends of  
wood ducks in Illinois. The  
count began in late May in  
southern Illinois and continued  
through mid-July, ending in  
northern Illinois. Selected

### WONDER WEIGHT CLASSES BEGIN

Most of us would like to be a  
shadow of our present self, but  
everywhere we go calories are  
eagerly waiting for us. How  
can we fight these beastly  
calories? Easy, Join Wonder  
Weight Losers of Illinois.

On Tuesday, January 9th the  
Wonder Weight Losers class in  
Antioch will have a special  
guest. Her name is Mrs.  
Connie DeStefano of Elmhurst.  
Mrs. DeStefano's claim to

DAVID R. BENDULL

Marine Pvt. David R.  
Bendull, son of Mr. and Mrs.  
John E. Bendull of 604 W. Park  
Ave., Lake Villa, Ill., graduated  
from basic training at the  
Marine Corps Recruit Depot in  
San Diego.

He is a former student of  
Antioch Community High  
School, Antioch, Ill.

stream segments were floated  
in canoes by biologists and duck  
activity along the streams was  
recorded.

Segments of the streams were  
selected for approximate even  
distribution throughout the  
survey, and the floats were  
made on all types of habitat.  
Most floats were made in five to  
15 mile segments.

"With this initial survey we  
are only establishing an index to  
measure the population in  
future years," Arthur said.

"Approximately 12 percent of  
the waterfowl population har-  
vested in Illinois is wood ducks,  
which make the species the  
second most important duck,  
following the mallard, as far as  
sportsman are concerned.  
These preseason floats will give  
us a measuring stick to set bag  
limits and season dates."

fame is that she has lost 110  
pounds through the Wonder  
Weight program. She had to  
squeeze herself into a size 40  
wedding dress and now proud-  
ly wears a size 12.

The Wonder Weight classes  
are held every Tuesday  
morning in the First United  
Methodist Church, 848 Main  
Street, Antioch at 9:30 a.m. All  
are invited to come and see  
Mrs. DeStefano and hear her  
remarkable story.

## Hometown News

### McCLORY ANNOUNCES NOMINEES TO ACADEMYS

It was announced today by  
congressman Robert McClory  
(R-Ill.) that he has chosen his  
nominees to compete for  
appointment to the U.S. Air  
Force Academy, the U.S.  
Military Academy at West  
Point, the United States Naval  
Academy, and the United States  
Merchant Marine Academy for  
the class that enters in 1973.

Congressman McClory makes  
his selections based on a  
competitive system, using the  
academic scores, achievement  
tests, and Civil Service exami-  
nation scores of the applicants,  
as well as letters from  
recommenders, extracurricu-  
lar activities, and other  
pertinent information.

Area boys competing for  
entrance to the United States  
Air Force Academy (one  
vacancy) is Roger D. Sankey,  
son of Mr. and Mrs. Floyd  
Sankey of Antioch. United  
States Military Academy at  
West Point are: John Alan  
Cook son of Mr. and Mrs.  
Ernest A. Cook of Antioch and  
Wayne R. Lindemann, son of  
Mr. Robert Lindemann of Lake  
Villa.

### PVT JOHN J. MIHOVILOVICH III

Army Private John J.  
Mihovilovich III, 20, whose  
parents live at 895 Hillandale  
Drive, Antioch, Illinois recently  
completed administrative and  
personnel management courses  
at Ft. Polk, La.

He was trained in the  
preparation of military records  
and forms. Instruction also was  
given in the fundamentals of the  
Army filing system, typing and  
operation of office machines.

Pvt. Mihovilovich entered the  
Army in July and completed  
basic training at Ft. Polk.

He is a 1970 graduate of  
Antioch High School, and  
attended Lake County Junior  
College, Grayslake, Illinois.

### LOCAL STUDENTS RECEIVE DEGREES

Northern Illinois University  
has conferred degrees on 4,647  
students who complete require-  
ments in June and August of  
1972.

Northern students from  
Antioch and Lake Villa who  
received degrees include the  
following:

ANTIOCH: Bernard Mathias  
Dost of Rt. 4, Box 23; Wendy Lu  
Eberman of Rt. 3, Box 444; Kay  
E. Kuechenmeister of 1026  
Bishop; and Keith Edwin  
Peterson of Box B.

LAKE VILLA: Kin Elizabeth  
Murphy of 1902 Chesney Dr. and  
Karen Scheel of 1504 Lakeview  
Dr.

### FIRST ALL-PRO SNOW RACES AT RHINELANDER

All-pro snowmobile racing,  
professional drivers against  
professional drivers, in three  
modified classes over the  
approved Hodag Enduro track,  
will be staged for the first time  
in the United States as part of  
the famed Hodag 50 Marathon  
and Sprints, January 26-28, at  
Rhineland, Wisconsin.

The United States Snowmo-  
bile Association has set-up and  
sanctioned professional racing  
in classes Mod II, III, and IV  
with the cooperation of eleven  
factory racing teams. The  
events are carded as a 3 p.m.  
Sunday, January 28th feature of  
the Hodag weekend.

Both men and women are  
eligible to run in the pro enduro  
sprints, as long as they are  
recognized members of the  
USSA pro racing classes. Each  
factory team, at this time, will  
be consisting of three drivers  
for each class, and with eleven  
factories represented, this

means a minimum of thirty-  
three pro drivers in each class  
of the pro enduro sprints. Each  
sprint will be a ten mile enduro  
on the flat, two and a half mile  
Hodag Gran Prix track.

The participating factories  
included Arctic Cat, Polaris,  
SkiDoo, Chaparral, Rupp, Ya-  
maha, SnoJet, Brut, MotoSki,  
SpeedWay, and SkiRoule.

According to USSA represen-  
tatives, the pro enduros will be  
on a trail basis at the  
Rhineland meet. There will  
be a separate entry fee, with all  
such fees going for the total  
prize purse in the pro racing.

Information on Wisconsin's  
Triple Crown of Snowmobiling,  
the Eagle River; Rhineland;  
and Antigo races on the  
successive weekends of Jan.  
19-21; Jan. 26-28; and Feb. 4-5  
respectively, is available by  
writing Don Bethemann, Secre-  
tary, Hodag Park, Rhineland,  
Wisconsin 54501.

(Mgrs.) Gary Hoel, Jamie Ormson and John Owens.

## BAD WRESTLING DRAWS

The Antioch Wrestling Sequoits had three champions in the Lake County Tournament that was held on December 22nd and 23rd. However, the team only placed fifth in the tournament.

Coach DeRousse said, "We placed fifth primarily due to bad draws under the olympic type of scoring. We had a number of very poor draws that hurt us."

For example, Dirk Dietz at 112 lbs beat the Champion, but went out of the tournament on bad marks two rounds later and was not able to place.

"We beat or tied 6 place winners and did not place, this is another example of the bad draw situation."

The three county champions from Antioch were John Roberts at 105lbs., Keith Larsen at 119lbs., and heavyweight, Tom Rayniak.

Roberts pinned all of his opponents except one and the exception was 12 to 1. In the Olympic system he only had ½ bad mark against him and that was the best on any one in the

tournament.

Keith Larsen also pinned all of his opponents except one and that one exception he won 10-1. In his last match he pinned Tony Parker of North Chicago in an outstanding wrestle. Parker had won the district and Sectional championship last year.

Tom Rayniak beat Rex Dufour from Warren in the finals 7-5. DeRousse commented that there were a number of very good heavyweights and that Tom had some close matches.

Although DeRousse was disappointed with the team's placing he was not disappointed with their wrestling.

He said, "The wrestling actually improved over earlier matches, it was unfortunate the way this meet was drawn."

The Sequoits will face a double dual this Saturday in Antioch against Irving Crown and Harvard on Saturday.

Their next conference match is two weeks away when they will wrestle the yet undefeated team of Grayslake.

## SOPH WRESTLERS THIRD IN TOURNEY

The Antioch sophomore wrestlers will have to wait at least another year to try for a first place team finish in the Antioch Invitational Sophomore Tourney. After a very slow start in the early rounds, the Sequoits managed to scramble from way down in the standings to a respectable

**THIRD PLACE TEAM FINISH.** There was a two-way race for first place between Glenbrook North and Aurora West - with Glenbrook North the 1972 Champion.

### FINAL TEAM STANDINGS AND SCORES

Glenbrook North - 97; Aurora West-95; Antioch-50; Irving Crown-47½; Elk Grove-33½; Warren-32; Highland Park-28; Grant-27.

Though the Sequoits third place finish was respectable, Sophomore Coach Steve Wapon

was disappointed. "As a team we didn't wrestle a good tournament. There were far to many mental errors - which proved costly in the close matches. You just cannot make mental errors and be successful against top caliber teams like Glenbrook North and Aurora West. They both have exceptionally strong well-coached wrestling teams."

### ANTIOCH PLACE WINNERS

98-Dave Severson, 4th place  
105-Dennis Thain, 2nd place;  
119-David Kisner, 3rd place;  
126-Bill Hogan, 4th place;  
145-Mike Jones, 3rd place;  
185-Dale Eastman, 2nd place;  
HWT. Rich Coari, 4th place.

The Antioch Sophomores will put their 8-0 record on the line on Saturday, January 6, 1973 against Irving Crown and Harvard at Antioch High School beginning at 1:00 p.m.

"TORK"  
TALKS

by: "Tork" Torkelson

What kind of luggage rack do you need, if any?

If your need for a luggage rack is frequent, it's best to get the permanent type—either factory-installed or dealer-installed. (Most car makers offer factory-installed luggage racks only on station wagons and perhaps a special model or two.)

The permanent type rack is bolted through the car roof and the bolt-holes are permanently weather-sealed. It is positioned for proper weight distribution, and is usually adjustable. It rides with the vehicle, empty or loaded.

The temporary type of luggage rack uses straps or clamps (or both) to grip the rain troughs or the upper frame portion of the side windows. Needless to say, if you require a luggage rack only for short vacation periods during the year, then the temporary clamp-on type could do.

## HASTINGS SET 1973 YMCA HOCKEY LEAGUE

Hastings YMCA Camp in Lake Villa has announced their hockey program for boys.

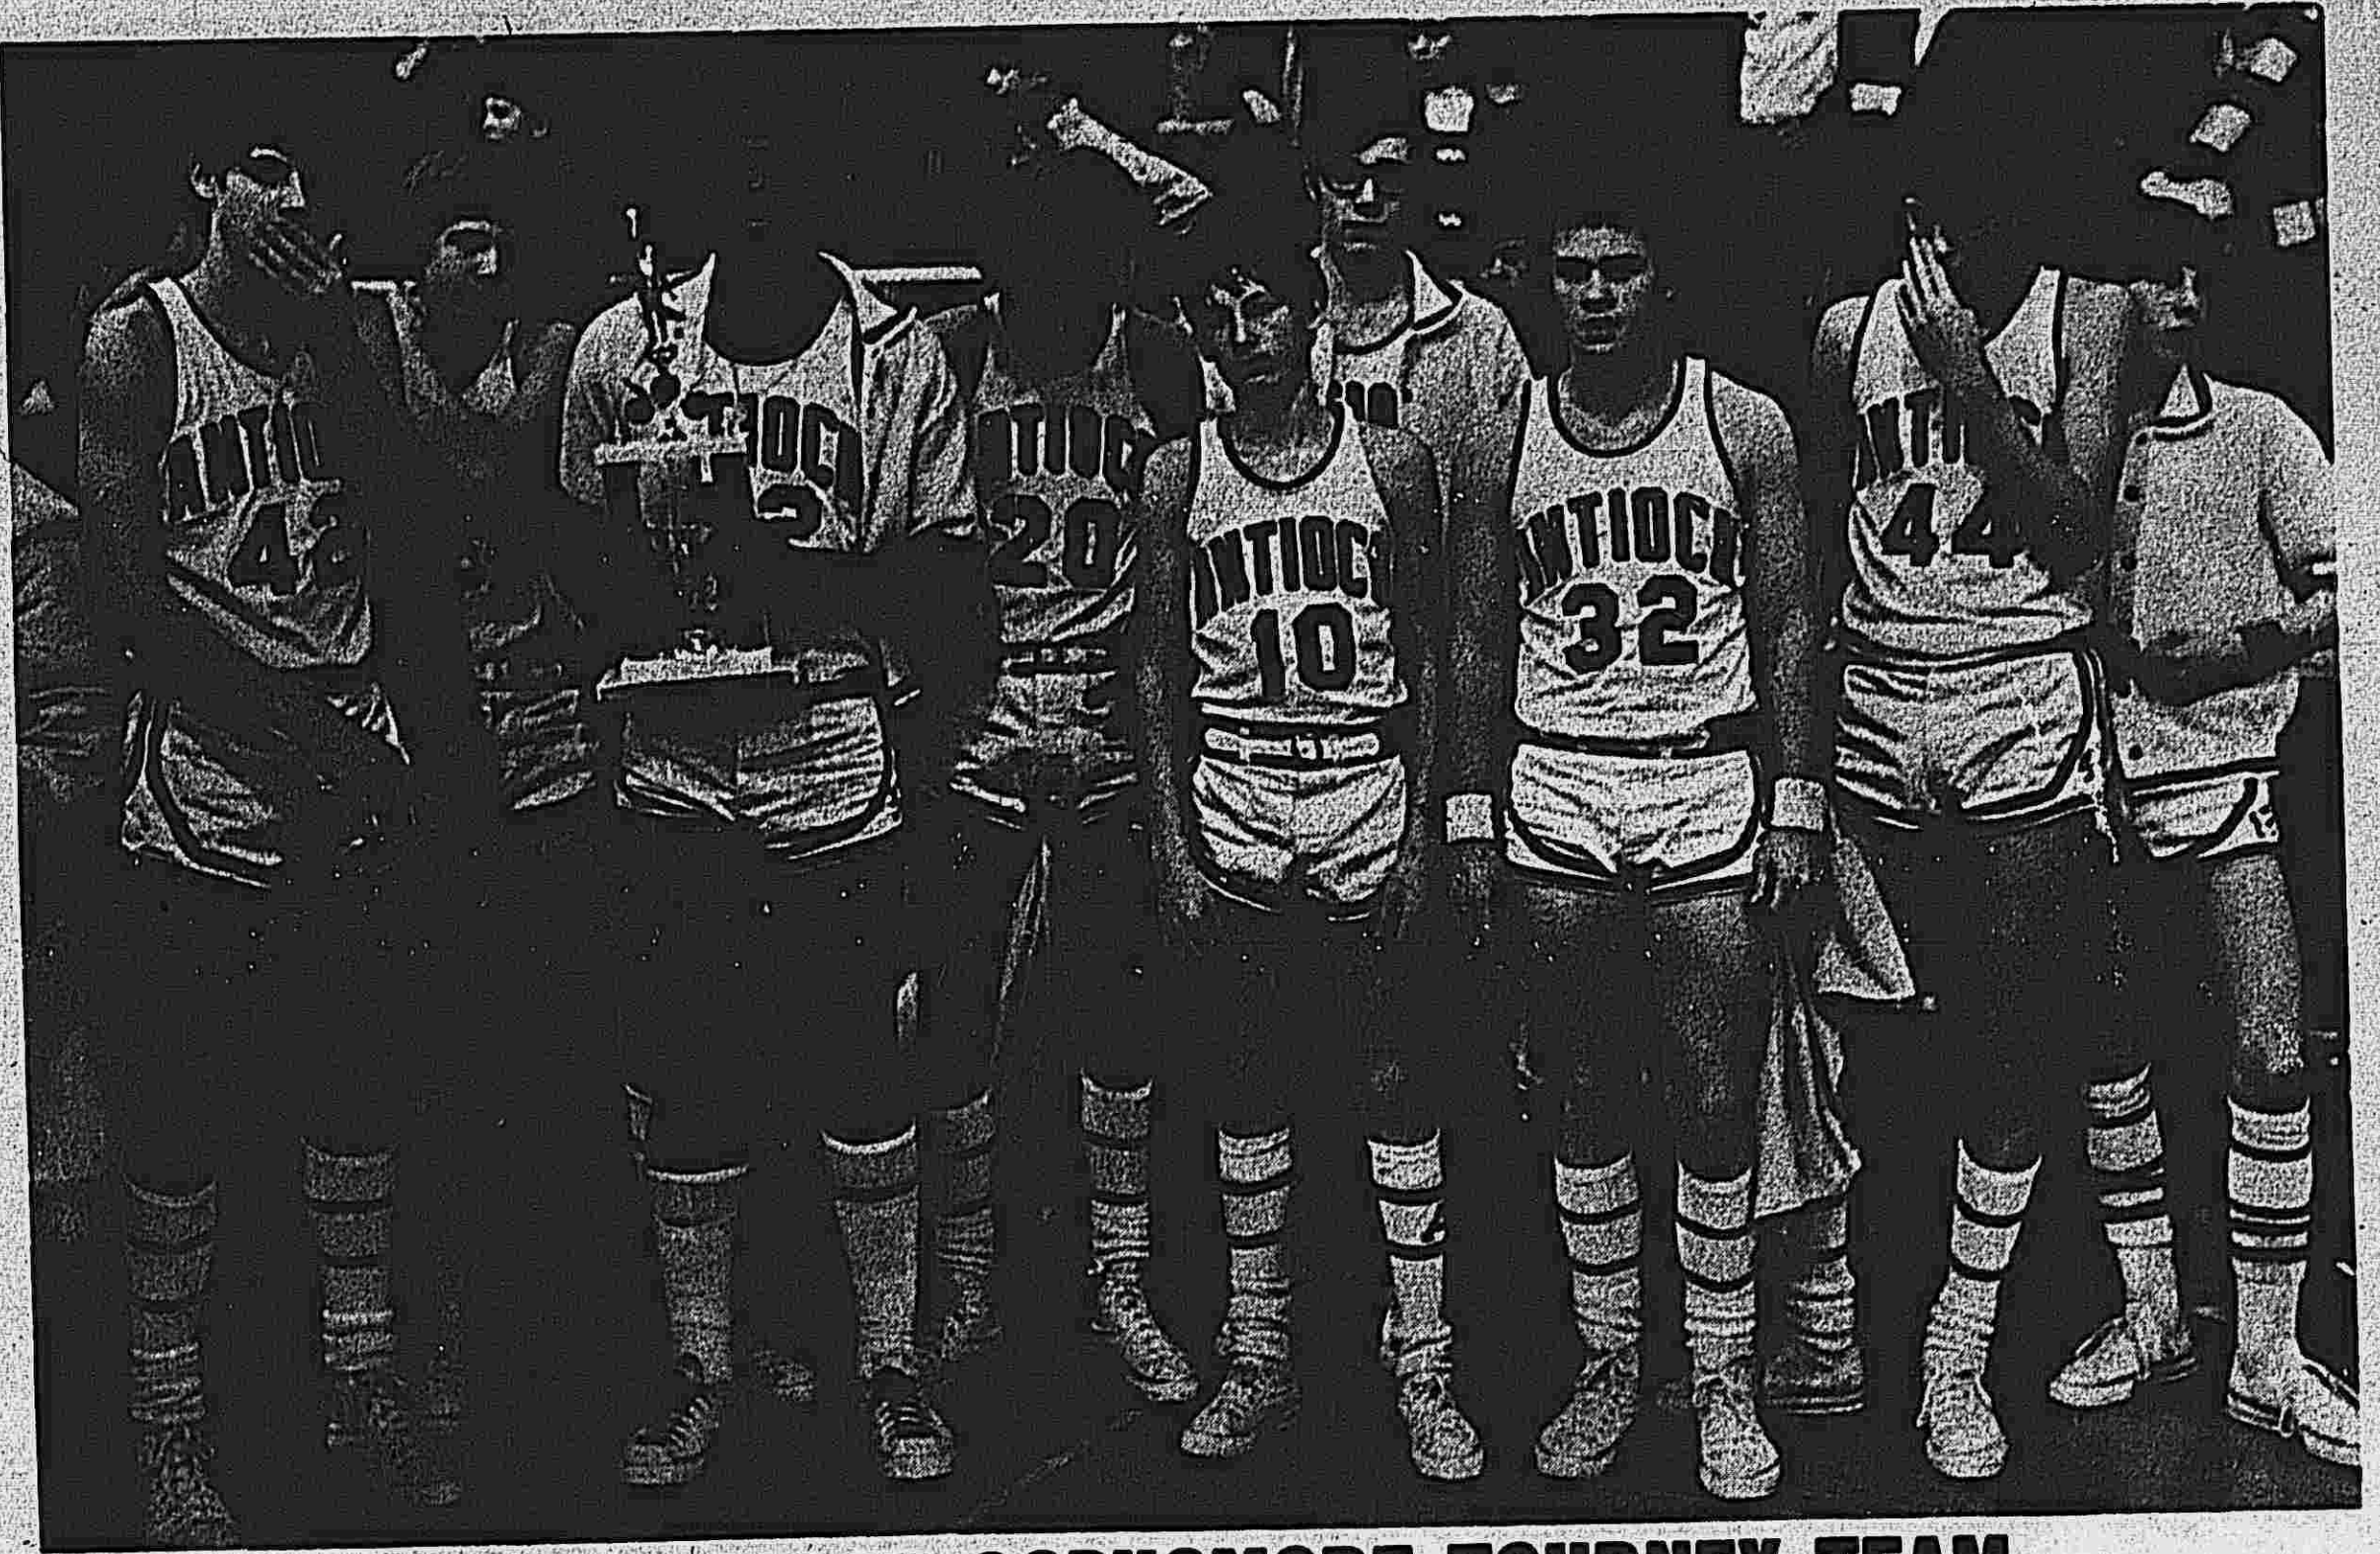

Iceless hockey will be played by boys in grades 1 through 4 at community grade schools beginning January 19th until March 16th. The games will be played on Friday nights. Registration fee is \$7.50 which includes an iceless hockey stick. No hockey equipment is needed and participants should have gym shoes. The maximum number of players on one team will be 10 boys.

Hastings Ice Hockey League for boys in grades 6 through 9, will also be held at the YMCA Camp this year. Hockey equipment needed includes skates, stick, helmet, chin, mouth and leg guards. The camp will provide goalie equipment and nets.

Both programs will include instruction and league play.

A registration night for both leagues will be held at camp on January 5th starting at 7:30 p.m. Teams will be formed after registration. Ice Hockey league dates will be set following registration.

The camp is looking for fathers that would like to volunteer to help out. Call Hank Bessler at 356-5487.

## 1973 ANTIOCH SOPHOMORE TOURNEY TEAM

Pictured above is a portion of the highly successful Sophomore Sequoit Basketball Team, which won the Barrington Sophomore Invitational and placed second in the Zion Sophomore Invitational. Pictured from left to right are Dan Duccomun, Mike Witt, Larry Smith, Kevin Walpole, Bruce Tossey, Mike Gridley, John Walker, Russ Albano and Terry Lear. (Staff Photo)

## SOPHS FINISH 2nd IN ZION TOURNEY

Kevin Walpole, Number 20, lays one up in the action against Zion in the Championship game at the Zion invitational sophomore tournament. John Walker, Number 32, moves in from the right to take up the action if need be. (Staff Photo)

Number 44, Russ Albano lifts one over Zion's big center during the championship game as Number 42 Dan Ducommun sits for possible rebound. (Staff Photo)

The Antioch High School Sophomore basketball squad did an outstanding job at the Zion Invitational Sophomore Basketball Tourney. Antioch finished second in a tournament made of teams from Waukegan, Niles, North Chicago, Wheeling, Zion, Grayslake and Highland Park.

Antioch's first victim was Waukegan, which wound up on the short end of a 34 to 27 contest. Against Wheeling, in their second game, Antioch won handily, 35-21. In the Championship match it was the host team, Zion, that finally closed off the Sequoits from the win column 26-33.

Coach Gary Allen stated that the Sophomore Sequoits were outstanding on defense but needed a stronger offense to realize their full potential as a team.

Individual high scorers in the various tournament games were Dan Ducommun against Waukegan, 9 points, Russ Albano with 14 points and Larry Smith 10 points against Wheeling and Mike Witt with 12 and Russ Albano with 10 against Zion.

The Sequoit Sophomores are currently riding a 4 and 0 record in conference play.

In an earlier tournament held at Barrington the Sophomores left the gym the champions after defeating Mundelein, Barrington and, finally Elgin Larkin.

This coming Saturday, Jan. 6, the Sophomores will have a chance for revenge when they find themselves matched against Zion in the opening game of a non-conference match at Zion.

## BOATING COURSE IN CHICAGO

### CBA SCORING LEADERS

The Coast Guard Boating Information Center in Fox Lake, Illinois has the latest information concerning boating courses being taught in the Chicago land area by the Coast Guard-Auxiliary.

This is a great opportunity to learn the latest boating laws and to share ideas about boating with many other people that are interested in this pleasureable sport.

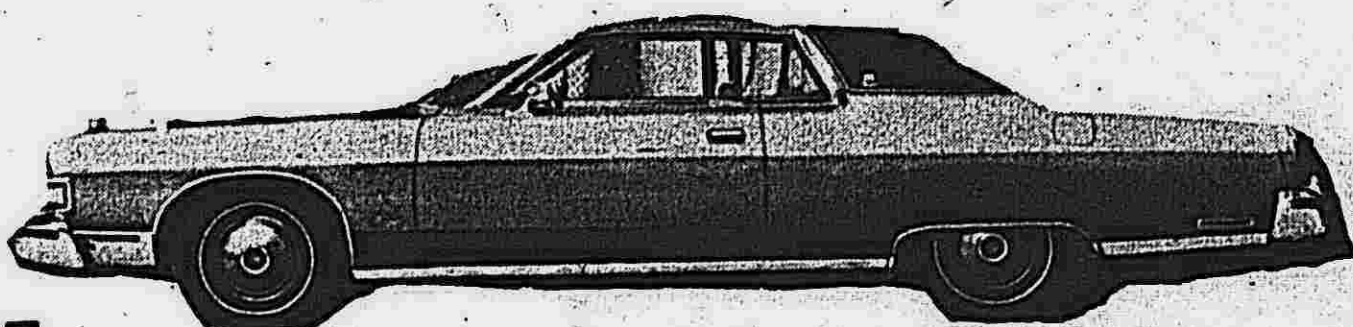

Home study courses are available for those who cannot get together in a class with their fellow boaters.

For information call 587-6135.

A recent news release from the Continental Basketball Association listed three Lake County players among the top scorers in league play: As of December 26, 1972, Len Chappel held fourth place in the league with a point average of 31.3 per game; Joe Franklin was in sixth place with 30.3 and Clarence Sherrod held onto the 13th spot with an average of 22.3 points per game.
